Jon,

Here is the revised pre-brief follow-up two pager; I believe we have addressed the issues Mike raised. Please let us know if you think this needs more work before it goes back to Mike.

Everyone--

Mike called me late yesterday to say that he received this note and writeup and thought that it was a very good idea to get this ready for Gina. He had two changes/additions that he requested:

(b)(5) - Deliberative Process Privilege

(b)(5) - Deliberative Process Privilege

Thanks much for your efforts on this. Let's get the paper updated quickly and back up to Mike/Gina.

(See attached file: Subpart-W\_prebrief\_follow-up.docx)

Mike---

We wanted to follow-up quickly on last week's FAR pre-brief on NESHAPS (40 CFR 61) Subpart W with Gina McCarthy. The attached two-page paper (b)(5) - Deliberative Process Privilege In addition, several issues were raised and suggestions made during the pre-brief. The attachment lays out how the issues are being addressed as we prepare the proposal package for final agency review. Please pass these materials on to Gina or use them to update her, as appropriate. If you have any questions concerning the direction we are going, please contact me or Alan.
